

# DB Schenker LCL system Reliable, simple, fast.

## Your Business. Our Priority.

We pioneered consolidation services 140 years ago and continuously improve on these every day ensuring delivery of top performance each and every day.

Today, more than ever, volatile and unpredictable market demands require an agile supply chain. DB SCHENKER **LCL system** helps you to save time and reduce costs.

### Benefit from our complete service for your partial container loads!

#### Reliable

Thanks to our global LCL network and quality standards.

#### Simple

Same booking procedure for both options – standard and fast.

#### Faster lead times

Satisfied customers through the use of our global integrated transport network.

#### Your advantages

Reduction of inventory and storage space and faster invoicing to your customers.
