

UK Haulage Fuel Surcharge – Ocean Freight

22nd January 2024

Dear valued customer,

Please be advised that our DB Schenker fuel surcharge for February is **6.8%**

Fuel surcharge is applied on date of container delivery.

We continue to monitor the UK Road Haulage Association fuel indices along with working closely with our suppliers.

Any questions or if you require anything further, please contact your local Customer Service or Sales representative.

Best regards,

DB Schenker – Ocean Freight
