Private removals

Customer care and expert advice from our removal consultants.

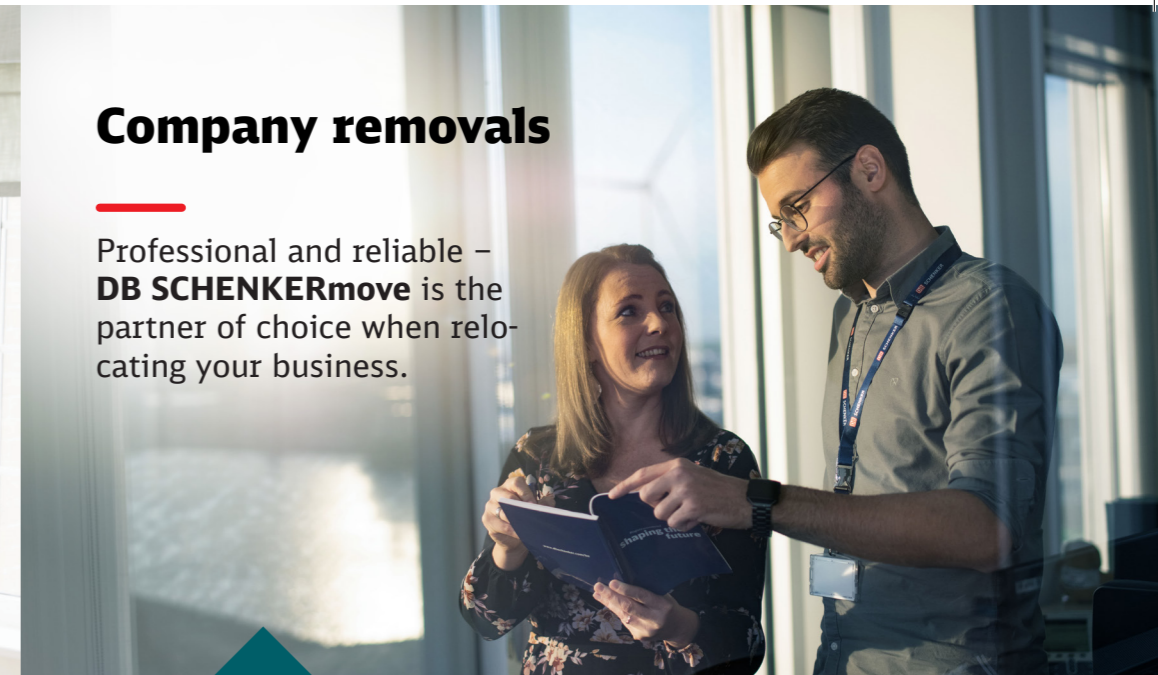

This means

- On-location viewing to determine requirements.
- Expert advice.
- Preparation of a comprehensive, non-binding offer.
- Information about customs formalities and special aspects of international removals.
- List of required immigration/emigration documents.
- Arrangement of an on-location contact in the required language.
- Different insurance types and coverages.

Company removals

Professional and reliable – **DB SCHENKERmove** is the partner of choice when relocating your business.

This means

- We will relocate your entire operation – from the kitchenette to the boss's office.
- Planning to relocate several workplaces within the same location? Our team would be happy to advise you and to oversee the operation.
- On-location viewing, expert advice and customer care from our project manager and technical manager.
- Joint preparation of a detailed work schedule designed to disrupt your everyday business as little as possible.
- As well as storing furniture, we would also like to take responsibility over the scheduling coordination.
