RE: Notification of the planned integration with DSV Group companies and change of the company name – 1 May 2026

Dear Business Partner of the Air & Sea Division,

We would like to inform you of changes within SCHENKER s.r.o. taking place in connection with the integration of SCHENKER Group companies with DSV Group companies.

The planned integration includes the following corporate changes taking place simultaneously:

- spin-off of the Air & Sea Division from SCHENKER s.r.o., by way of merger into DSV Air & Sea Slovakia s.r.o.;
- renaming of DSV Air & Sea Slovakia s.r.o. to DSV Air & Sea s. r. o.;

The integration changes are being implemented in accordance with Act No. 309/2023 Coll. on transformations of commercial companies and cooperatives. The relevant draft Transformation Plan for SCHENKER s.r.o. was filed in the Collection of Documents of the Municipal Court Bratislava III on 11 March 2026.

The above changes are part of a single integration process with a planned effective date of **1 May 2026**. As of that date, all rights and obligations under contracts concluded with SCHENKER s.r.o. shall transfer to DSV Air & Sea Slovakia s.r.o..

We assure you that all your existing contracts, framework agreements, purchase orders and other commercial arrangements validly concluded with SCHENKER s.r.o. **shall remain in full force and effect, without any changes to the rights and obligations thereunder**. No amendments or other agreements are required, as the legal effects of the integration process arise directly by operation of law. The quality of services will be maintained, and the Air & Sea Division business team will be strengthened by the combined capacities of the SCHENKER and DSV groups.

The billing details of the successor company after the integration change will be as follows:
