

# Security Policy

**Schenker Singapore (Pte) Ltd** is committed to proactively meeting the demands of supply chain security while providing efficient logistics network performance to our customers.

This will be achieved with the following main objectives:

- Provide security for customer goods
- Provide security for staff, information and assets

We are dedicated to enhancing the security of our operations through continual improvement with compliance to applicable statutory and regulatory requirements.

This policy has been developed to align with Schenker Singapore (Pte) Ltd commitment of creating a shared responsibility for Security Management throughout the organization.

CHARLIE KOK  
Managing Director

(June 2017)
