

AS Schenker's additional services price list for Land Transport valid from 01.11.2017

LIABILITY

Services are being provided under the application of the Estonian Logistics and Freight Forwarding Association's general conditions, Estonian Logistics and Freight Forwarding Association's Carriage of Goods by Road general conditions, Estonian Logistics and Freight Forwarding Association's General Terms and Conditions for Warehousekeepers, Convention on the Contract for the International Carriage of Goods by Road (CMR), AS Schenker's interpretation of the International Chamber of Commerce version of Incoterms/Combiterms 2000 (Incoterms®2010 can also be applied) and other statutory acts.

CARGO INSURANCE

AS Schenker's liability is limited according to the CRM Convention by 8,33 SDR freight's or part of its gross weight per kilogram. To minimise the client's risk, AS Schenker will mediate cargo insurance contract with AS Schenker's chosen insurer. The wish to sign the cargo insurance contract needs to be in a written form to the AS Schenker representative whilst placing an order of transportation service.
