RE: GRI notice for Far-East to USA & Canada

Dear Valued Customer,

Following announcements are issued by major Steamship Lines, please be advised of the intended NEW General Rate Increase (GRI) for all Eastbound cargo from Far East and Indian Sub-Continent origins to all destinations in Canada and USA with details as follows:

Effective August 1, 2017

USD 720 per 20' standard container

USD 800 per 40' standard container (40' x 8'6")

USD 900 per 40' high cube container (40' x 9'6")

USD 1013 per 45' container

LCL: US\$16.00 per w/m. Min US\$16.00

That being said above, there are exceptional carriers who have announced \$1000 GRI for August 1 per a standard 40ft container.

We appreciate your continued support as a valued customer and should you require any further information or clarification, please do not hesitate to contact your account manager or customer service representative.

Best Regards,

DB Schenker
