

Trade Compliance Policy

Schenker Singapore (Pte) Ltd is committed to be a valuable and trusted partner to our customers in trade and supply chain management by conducting its business in compliance with customs and trade regulations.

This will be achieved with the following main objectives:

- Creating a compliance culture through robust internal compliance program
- Compliance with sanctions screening and other export regulations
- Exercise due diligence to ensure accuracy, completeness and integrity of the trade declarations as declaring agent
- Aims to ensure the declarants remain professional and competent in their knowledge of customs procedures and documentation

We are dedicated to enhancing the trade compliance of our business through continual improvement with compliance to applicable statutory and regulatory requirements as imposed by the United Nations, European Union, United States and other regulatory bodies.

This policy has been developed to align with Schenker Singapore (Pte) Ltd commitment of creating a shared responsibility for Trade Compliance throughout the organization.
