

Security Policy

Schenker Singapore (Pte) Ltd is committed to proactively meet the supply chain security demands while providing efficient logistics network performance to our customers.

This will be achieved by the following main objectives :

- Provide security for customer goods
- Provide security for staff, information and assets

We are committed to enhance the security of our operations through continual improvements of our supply chain with compliance to applicable statutory and regulatory requirements.

This policy has been developed to align with Schenker Singapore (Pte) Ltd commitment to have a shared responsibility for Security Management throughout the organization.
