

## Land transport surcharges in Finland

### Handling fee for non-electronic orders

The freight payer is charged a shipment-specific surcharge if the transportation is ordered via non-electronic methods. Electronic order methods that are free of charge are such as DB Schenker's online services, EDI connections and Kuljetustilaus.fi.

€6.50 per consignment

### Attaching SSCC barcode label

If the consignment does not contain an address label with an SSCC barcode, the freight payer is charged a package-specific surcharge for attaching the SSCC barcode label. The maximum fee per consignment is the price equivalent to ten address labels.

€1.60 per address label

### Transportation interrupt surcharge

If the transportation is interrupted by the consignor, consignee or the freight payer, the freight payer is charged a consignment-specific surcharge.

€15.00 per consignment

### Load space cleaning surcharge

The freight payer is charged a fixed load space cleaning surcharge if the load space requires cleaning due to the consignment.

€82.00

### Ferry surcharge

The freight payer is charged a consignment-specific ferry surcharge if the pick-up or delivery location is only accessible via ferry.

€31.50 per consignment per ferry connection

### Ferry surcharge for domestic deliveries to Åland Islands

Domestic deliveries to Åland Islands are subject to an additional surcharge.

Domestic transportation charge + 8.5%

### Delivery and receipt surcharge

The freight payer is charged a fixed surcharge if the consignor delivers the consignment to our terminal or the consignee picks up the consignment at our terminal. Consignment unloaded at the terminal must be picked up within one working day from their arrival.

€16.00

### Miscellaneous work surcharge

The consignor is charged an hourly surcharge for miscellaneous work, for example, if clarifying incomplete waybill, address label or consignee information involves additional work, or the customer requires extensive statistics on the delivery.

€25.00 per 15 min per consignment

### Waiting time surcharge

DB SCHENKER*system* and DB SCHENKER*parcel* products include a 30-minute loading/unloading time window. For DB SCHENKER*direct*, the time window is 60 minutes. If unloading or loading exceeds this time, the freight payer is charged a time-based surcharge.

€39.50 per 30 min

### Weighing/measuring surcharge

The freight payer is charged a consignment-specific surcharge if the actual weight, volume or other dimension deviates from the the essential order information.

€10.50 per consignment

### Storage in terminal or load space

---

The freight payer is charged a shipment-specific surcharge if shipments weighing under 2,500 kg are temporarily stored in our terminal, the terminal area or a load space. Customer is always liable for the cargo under storage. Shipments weighing over 2,500 kg are subject to a transportation unit-specific demurrage surcharge. ADR consignments are subject to a separate agreement and price list.

Domestic	International
€1.00 per 100 kg per day	€2.50 per 100 kg per day
minimum 11.00 € per consignment	minimum €50.00 per consignment

### Statistics surcharge

---

Preparation of basic statistics on the customer's assignment is subject to a surcharge of €62.00 per consignment. Any additional statistics are charged on an hourly basis under miscellaneous work.

### Uncompleted pick-up surcharge

---

The freight payer is charged for uncompleted pick-up visits according to the current price list if the consignment cannot be picked up and the transportation assignment has not been cancelled within the cancellation deadline.  
Minimum charge €7.50

### Re-palletizing surcharge

---

If the consignment does not fit in the load space or may be damaged during the transportation due to its measurements, packaging method or packaging materials, we will re-palletize the consignment. In such a case, the freight payer is charged based on the changed freight rates.  
€2.60 per 100 kg  
minimum charge €26.00

### Re-visit surcharge

---

If a pick-up or delivery must be made again, the freight payer is charged according to the current price list. The surcharge may include local, remote or special area pricing.  
Minimum charge €7.50

## Land transport administration charges in Finland

### Clarification surcharge for Åland islands

---

Both the consignor's and the consignee's Business IDs must be marked in waybills for transports crossing the EU tax border to Åland tax border. In addition, an additional marking "VAT REG" must be given, if the consignee is VAT liable.

If we do not receive consignee's Business ID and possible VAT REG, we will charge EUR 67,00 for the clarification.

### Document copies / signed-off waybill

---

Consignment notes or copies of them are not delivered with the invoice. Delivered documentation, including information provided via e-mail, fax or telephone, is subject to a document-specific surcharge.  
€4.50 per consignment  
minimum charge €31.50 per assignment

### Payment notice

---

The payment term is seven (7) days net from the invoice date. Interest on overdue payments will be charged based on the valid Interest Act. Payment notices sent after due date are subject to a fixed invoicing surcharge.  
€10.00

### Printed invoice surcharge *(will be introduced later)*

---

Printed invoices are subject to a fixed invoicing surcharge. Electronic invoices are available on our website.

### Small invoice surcharge

---

Invoices of less than €100 (VAT 0%) are subject to a fixed invoicing surcharge.  
€10.00

### Delivery term change

---

Delivery term changes are subject to a consignment-specific surcharge.  
International consignments  
€72.50 per consignment

### Re-invoicing surcharge

---

Re-sending an invoice or other measures resulting from incorrect or incomplete information provided by the consignee are subject to a shipment-specific re-invoicing surcharge.  
€7.00 per consignment  
minimum charge €35.00

## Land transport surcharges for international transports

### Metropolitan surcharge

DB SCHENKER *system* and *system premium*  
In certain big cities in Europe a surcharge based on freight weight on collections (import) or distribution (export) will be charged. Postal code areas related to this metropolitan surcharge will be shown in eSchenker pricing.

Weight category kg	Surcharge € per weight category

51 - 100	3.00
101 - 200	3.00
201 - 300	4.00
301 - 400	5.00
401 - 500	7.00
501 - 600	9.00
601 - 700	10.00
701 - 800	12.00
801 - 900	13.00
901 - 1,000	14.00
1,001 - 1,250	17.00
1,251 - 1,500	21.00
1,501 - 1,750	25.00
1,751 - 2,000	28.00
2,001 - 2,500	33.00

### Harbour surcharge

DB SCHENKER *system*, *system premium* and *direct*  
Sea transportation is subject to a harbour fee.  
€3.32 per 1,000 kg  
minimum €14.00 per consignment

### Handling surcharges

DB SCHENKER *system*, *system premium* and *direct*  
Foreign trade divided into EU's internal and external trade is subject to a handling fee.  
Internal trade €19.00 per consignment  
External trade €35.00 per consignment  
"External trade" here means consignments shipped across the EU's borders for customs declaration/taxation.
