

# DB SCHENKER LCL *system*

## Reliable, simple, fast.

### Your Business. Our Priority.

We pioneered consolidation services 140 years ago and continuously improve on these every day, ensuring delivery of top performance each and every day.

Today, more than ever, volatile and unpredictable market demands require an agile supply chain. DB SCHENKER LCL *system* helps you to save time and reduce costs.

**Benefit from our complete service for your partial container loads!**

#### You want to use a reliable service?

DB SCHENKER LCL *system* is carried out by our global LCL network under the highest quality standards.

#### You want to keep things simple?

Get instant pricing and shipping schedules and book online. If you need assistance, our customer service team is always ready to help.

#### You want to go fast?

With a seamless connection to our Land Transport network and weekly services you benefit from shortest transit times.
