

A photograph of a large industrial warehouse. In the center, a red forklift is positioned on a raised platform. To the right, there are several pallets stacked high, wrapped in clear plastic. The floor is made of interlocking concrete blocks. The lighting is bright, coming from large windows or skylights in the background.

Customer Advisory on COVID-19 : Malaysia Updates

Dear Valued Customers,

Malaysian Government has announced that Kuala Lumpur, Selangor, Johor and Penang will enter the Conditional Movement Control Order (CMCO) from 5th to 18th March with travel between districts of the same state allowed, while interstate travel is still banned across the country. Negri Sembilan, Kelantan, Perak, Kedah and Sarawak would remain under CMCO, while Melaka, Pahang, Terengganu, Sabah, Putrajaya and Labuan, currently under CMCO, would fall under the RMCO from 5th March.

Under this MCO, Schenker Malaysia classified under one of the “Essential Service” will remain business as usual on our operations (Air, Ocean, Logistics & Land) in all our branches and logistics sites in Malaysia.

Please get in touch with your account and program managers so we can do our utmost to support your business continuity. We will continue to provide our updates to you as the situation develops and to make every effort to support your business.

We appreciate your patience and support, as we manage this situation together as one.

For enquiries and local support, kindly contact the following :
