**RE: PSS notice for Far-East to USA & Canada**

Dear Valued Customer,

Following announcements are issued by major Steamship Lines, please be advised of the intended **NEW** Peak Season Surcharge (PSS) for all Eastbound cargo from Far East and Indian Sub-Continent origins to all destinations in Canada and USA with details as follows:

**Effective December 1, 2021**

- USD 2,250 per 20' standard container
- USD 2,500 per 40' standard container (40' x 8'6")
- USD 2,815 per 40' high cube container (40' x 9'6")
- USD 3,165 per 45' container

We will continue to monitor closely how market will react to this PSS and will update you when there is a change.

We appreciate your continued support as a valued customer and should you require any further information or clarification, please do not hesitate to contact your account manager or customer service representative.

Best Regards,

**DB Schenker**
