RE: PSS notice for Far-East to USA & Canada

Dear Valued Customer,

Following announcements are issued by major Steamship Lines, please be advised of the intended NEW Peak Season Surcharge (PSS) for all Eastbound cargo from Far East and Indian Sub-Continent origins to all destinations in Canada and USA with details as follows:

Effective February 1, 2022

USD 2,700 per 20' standard container

USD 3,000 per 40' standard container (40' x 8'6")

USD 3,375 per 40' high cube container (40' x 9'6")

USD 3,800 per 45' container

We will continue to monitor closely how market will react to this PSS and will update you when there is a change.

We appreciate your continued support as a valued customer and should you require any further information or clarification, please do not hesitate to contact your account manager or customer service representative.

Best Regards,

DB Schenker
