

MAUT AT & DE

Dear Customer

In September 2018 we notified you of the implementation of a 1% surcharge to cover increased road tolls (MAUT) imposed by the German government. We also pre-advised that the surcharge would increase in January 2019, a consequence of further toll increases due in 2019.

I can now confirm that from 1st January 2019 the MAUT surcharge will increase to 2% for shipments to and from Germany and Austria. Austria has been included because their government have introduced similar toll increases to their German neighbours.

MAUT Surcharge		
Effective from	Countries	% Surcharge
Sept 2018	DE	1%
Jan 2019	DE, AT	2%
Jan 2020	DE, AT	2%

We trust you will appreciate our reasons for taking this action and thank you for your continued support.

Yours faithfully

Schenker Limited
